Orion Thompson, Principal - **Stephanie Ornelas**, Dean of Students/AD - **Craig Black**, Counselor

Dear Parent/Guardian,

During the 14-15 school year we had some staff that began using Planbook.com. This is an online resource that allows teachers to create their lesson plans, show how lessons connect to content standards, and make them available to students/parents throughout the school year. This year all Custer Jr/Sr High teachers are using Planbook. The purpose of us doing this, is so that students are able to access lesson plans/assignments for all their teachers in one place, from wherever they are.

To make this even more user friendly for you and your student(s), all staff have common logins. To access these, go to www.planbook.com. At the top right corner, next to the "Login" button, click on "Student View". The website then prompts you for the teachers' email address and their student key. I have enclosed the teachers' emails for you to use as a reference. The student key to be used is the same format for all teachers. It is their last name all lowercase.

Staff are expected to have one week of lesson plans available for student view. Some staff may have future week's plans available to view as well. Please understand that lesson plans are only a guide as to what is happening in the classroom, and plans are likely to change on a daily basis, depending on the professional judgment of the classroom teacher. If you have any questions concerning a teachers' Planbook, please feel free to contact them directly. We hope that this will be a valuable resource for you and your student(s) if they happen to be absent from school.

Sincerely,

Orion Thompson

Principal
